

India, Prosus, Bertelsmann, and TEDs Illuminate. The Series E funding follows Emeritus' recent \$200 million acquisition of ID Tech, the world leader in youth STEM education, which marked Emeritus' expansion into the K12 space. "The unbundling of higher education and continued learning has only just started," said Anand Daniel, partner at Accel. "Emeritus partners with top-tier and Ivy League universities to reach new students from around the world," said Munish Varma, managing partner, SoftBank Investment Advisers.

In the past year, Emeritus claims it has registered more than 100 per cent year-on-year growth around the globe. The company is on track to realise more than \$500 million in bookings this year, making it the fastest-growing ed-tech skilling platform.

from Korea's Hanwha

Bharti Group-backed OneWeb on Thursday said Hanwha Systems of South Korea will infuse \$300 million (₹2,228 crore) for an 8.8-per cent share in the low Earth orbit (LEO) satellite communications company. The investment, expected to be completed in the first half of 2022 after necessary regulatory approvals, will bring OneWeb's total equity investment since November 2020 to \$2.7 billion with no debt issuance. "Hanwha, the South Korean Fortune 500 global technology (tech) and manufacturing company, has announced a \$300-million equity investment by Hanwha Systems in OneWeb, the LEO satellite communications company backed by Bharti Group," said OneWeb in a statement.
